## St. Peter Saint of the Week: Jennifer Kearney

Jennifer was born in New Jersey. She came to the Florida Keys 12 years ago to enjoy life with her husband in a quiet and relaxing atmosphere. One of 6 siblings, Jennifer was used to a house full. A good starting point for her own family, Jennifer has been blessed with 3 children and 4 grandchildren to date.

Jennifer has known her husband from the age of 2. They were neighbors and later dated in High School. Each choosing a different path, they found each other again 35 years later to fall in love forever.

Jennifer graduated from the University of Hawaii. Although Hawaii has its own wonderful attributes, Jennifer feels the Florida Keys have much to offer and give her the opportunity to be close to her children and their families.

She likes to keep busy and is presently working as the Office Manager for St. Peter's church and says with a huge smile that she is "thoroughly enjoying her job." All the while she calmly assists, plans and coordinates a myriad of tasks at the same time.

Living on Big Torch gives Jennifer a feel of wilderness, allowing her to garden. With her love of growing flowers, orchids and at times tomatoes, she can find the quiet, satisfying moments she has always desired. Her true strength is her calm, kind and easy-going disposition. She loves reading, lately finishing the last writings of Jodi Picoult.

She and Rit are looking forward to a family vacation next year. They will be visiting London and hope to see Father Peter Scott in Shepperton, and then take a ferry to Dublin and visit where our own Father Tony originates.

So when you are visiting the St. Peter office, give Jennifer an enthusiastic sign of favor knowing that she will return it with a genuine caring smile and a willingness to help.

**Monday is the Feast Day of St. Francis of Assisi.  
In case you want to bless your animals.....**

A Blessing for all animals:

Blessed are you, Lord God, maker of all living creatures.  
On the fifth and sixth days of creation, you called forth fish in the sea,  
birds in the air and animal on the land.  
You inspired St. Francis to call all animals his brothers and sisters.  
We ask you to bless this animal.  
By the power of your love, enable it to live according to your plan.  
May we always praise you for all your beauty in creation.  
Blessed are you, Lord our God, in all your creatures!  
Amen
